COLLECTORS CORNER

Tonight we feature **Clapton Orient** as the thirteenth club in our **"AFC Nicknames"** series. **Orient** began life in 1881 and since then they have been called **Glyn Cricket and Football Club** (1881-86), **Eagle FC** (1886-88), **Leyton Orient** (1888-98), **Clapton Orient** (1898-1946) and now **Orient**. Their nickname used to be the **"Orient"** but they are now simply known as the **"O's"**. This unique set of cigarette cards was printed in 1933 by **Ogden's Cigarettes**.

CLAPTON ORIENT

The introduction of the name, the "Orient," into football was a stroke of originality which was inspired by the club, Clapton Orient, starting in the east end of London. It is for the same reason that they are always shown as a figure in eastern dress. One of the youngest of London's clubs, the Orient on formation was elected to the Second Division. This was in season 1905-6 and this place was held until 1929. In the meantime they have experienced many troubles. They left their ground at Homerton, but still they did not receive adequate support and it was feared that they would have to disband. Now they have a new lease of life.

CLUB CHAT

Welcome to tonight's Freight Rover Trophy clash against Bolton Wanderers of the Third Division. May we also take this opportunity to welcome Bolton and their supporters to Edgeley Park. Tonight's game is not the first meeting between ourselves and Bolton this season. We met back in August in the first round of the Milk Cup when, due to ground improvements here at County, both legs had to be played at Burnden Park. The first leg virtually sealed our fate as Bolton recorded a 4-1 victory with Paul Smith grabbing the County goal. County took a 1-0 lead in the second leg through Mark Leonard to give us a bit of hope but Bolton equalised with a late goal to finally put us out of the Cup with an aggregate 5-2 victory.

This year's Freight Rover Trophy looks likely to be a repeat of the last two years when we were beaten on penalties by Crewe and then last year 6-1 by Burnley both in the first round. After our disastrous 4-1 defeat at Crewe in which their final goal looked distinctly offside, we must win tonight by at least a three goal margin. If we win 3-0 then Bolton must also beat Crewe by exactly 3-0 or we will lose on goal difference. So remember, we must win by three goals or more and the more goals we score the better our chances (for instance 4-1 is better than 3-0). Anyway let's hope we can at least enjoy an exciting match even if we don't manage to keep our hopes alive.

Barry Diamond, who joined County on a month's loan from Rochdale, has now left the club after playing his last game against Colchester on Friday. While at the club Barry made six appearances in the number ten shirt and we wish him every success in his future career.

Les Chapman has been frantically scouting around in an attempt to bring a much needed new striker to Edgeley Park. Hopefully this week will see the signing of a new player at County and more details will be released as they are known.

Thanks to all those of you who turned up on Friday night and don't forget that we play again next Friday night against Preston when your support will again be much appreciated as we attempt to record the 'double' over North End.

MEET BOLTON WANDERERS

Bolton Wanderers were founded in 1874 as **Christ Church FC**. They turned professional in 1880 and became founder members of the Football League in 1888. Since this time, **Bolton** have visited every League Division except the 4th and have been **Champions** of both **Division 2** and **Division 3**. They have also appeared in the **F.A. Cup Final** on seven occasions winning the cup in 1923, 1926, 1929 and 1958. However the last seven years have seen them fall from the First Division to the Third Division. They are currently struggling in the league as they are fifth from bottom just one point above the relegation zone. They have won seven games, drawn five and lost fourteen. Their away form is not too impressive as they have won only two, drawn two and lost eight. On Saturday they lost **4-0** away at **Rotherham** where ex-County man **Dean Emerson** grabbed the final goal. Bolton have now conceded nineteen goals away from home and have scored only six.

Tonight's game is the third meeting of ourselves and Bolton this season as we met twice at **Burnden Park** in the Milk Cup. **Bolton** won **4-1** on the first occasion while the second game produced a **1-1** draw. Possibly tonight's game will even things out with a **County** victory.

SIMON FARNWORTH

(Goalkeeper) Voted Player of the Season by the fans last term in only his second full season in League football! Under the watchful eye of Charlie Wright, who has coached him since his school days, Simon has developed into one of the most promising talents on the North West scene, and deserved his recognition under the Robinson's Young Player award scheme.

DEREK SCOTT (Defender) The highly versatile Gateshead lad and former England Schoolboy international signed from **Burnley** in the summer for £20,000 after 10 seasons of first team football with the Clarets. It was the third time Wanderers had tried to sign him.

JIMMY PHILLIPS (Defender) A home town boy who emerged last season at left back and as a central defender with many encouraging qualities.

DAVE SUTTON (Defender) The former **Plymouth** central defender joined Bolton for £12,000 in the close season after eight years with **Huddersfield** where he was club captain and enjoyed two promotion campaigns including a Fourth Division Championship success.

MARK CAME (Defender) The big centre half made a forceful impact last season—his first in League football after joining Wanderers from non-league **Winsford**.

PAUL FITZPATRICK (Defender) Bolton moved in for the young defender after seeing him in trials with **Liverpool**. He showed a lot of promise in his brief appearances at senior level towards the

Bolton Wanderers

end of the season.

ASA HARTFORD (Midfield) A half-century of Scottish international caps behind him, the seasoned midfield player joined Wanderers in the summer after his shock release by **Norwich City**, for whom he scored the winning goal in last season's Milk Cup Final against **Sunderland**. Clydebank-born, Hartford started his career with **West Brom** and in spells with **Manchester City** (twice), briefly with **Nottingham Forest** and two years with **Everton**, he was regarded as one of the most influential of British midfield players.

WARREN JOYCE (Midfield) An award as one of the North West Young Players of last season was a fitting reward for the determined young sporting all-rounder who has been a regular in the Bolton midfield since making his debut at the age of 19 in April, 1983.

STEVE THOMPSON (Midfield) A powerful shot is just one of the assets of the strong young midfield player who has been a first team regular for two seasons.

GRAHAM BELL (Midfield) In his third season with the club, Graham joined the Wanderers from **Carlisle** in January 1984 with a wealth of experience after spells in the North West with **Oldham** and **Preston**.

SIMON RUDGE (Forward) Small in stature but big in heart, the Warrington-born youngster who started his League career with the Wanderers as a striker made an impressive switch to midfield last season.

ROGER WALKER (Forward) Speed and control are the exciting talents of the youngster who has been impressing in the club's junior sides for a couple of seasons.

TONY CALDWELL (Forward) The club's top scorer in successive seasons since being snapped up by the Wanderers from a local non-league club in the summer of 1983. Within two months of hitting the League scene he scored a club and Third Division record five goals in a League game against **Walsall**.

GEORGE OGHANI (Forward) Twenty-one goals last season proved that the talented striker who made goalscoring his business in his non-league days also had the instinct to make it in the Third Division.

DAVID CROSS (Forward) Few men can boast as consistent a scoring record as the much-travelled striker who joined Wanderers in the summer after being released by First Division **West Brom**, where he had returned for a second spell after playing in America. The North West is David's home territory although

he has travelled the country serving up a feast of goals with **Rochdale**, **Norwich City**, **Coventry**, **West Ham**, **Manchester City** and **Oldham** during a League career of well over 500 games.

DEAN ROBERTS (Forward) A promising, fearless striker who was robbed of a possible senior breakthrough last season by an untimely injury.

SAM ALLARDYCE (Defender) In his second spell with the club following his £10,000 transfer from **Huddersfield**, Sam made his name with the Wanderers in the Seventies when he shared in the Second Division Championship success. Transferred to **Sunderland** in 1980 Allardyce also had spells with **Millwall** and **Coventry**.

WAYNE ENTWISTLE (Forward) Started his footballing career with **Bury** going on to play for **Sunderland**, **Leeds**, and **Blackpool**. After a second spell with **Bury** he left them in the summer of 1985 to join **Carlisle United**. He came to Bolton at the end of October this season.

PHIL NEAL (Half Back) He became Wanderers **Player/Manager** on December 18th, 1985 when he left **Liverpool** after 11 success filled years. He picked up a half century of England caps (a record for a full back) and on the domestic scene won an incredible 7 championship medals with the Anfield Club. After joining **Liverpool** in October, 1974 from **Northampton** he became one of the most reliable members of the Anfield Unit playing 641 senior games and adding 4 League Milk Cup winners medals and 4 European Cup successes to his honours.
